Survey of India'S Foreign Liabilities And Assets of Mutual Fund Companies as on March 31, 2020-21

SCHEDULE-4

(Foreign Liabilities & Assets due to Mutual Fund Schemes of Asset Management Companies)

INSTRUCTIONS

This survey collects annual information from Indian resident Mutual Fund Companies on their foreign financial liabilities and assets. It will be used in the compilation of India's Balance of Payments (BoP) and International Investment Position (IIP), which will reveal the relative strength of our economy to withstand shock & a clear picture of the standard of international investors' business confidence in India as compared to that of other economies of the world.

We request for information on foreign liabilities and assets from you to enable us to compile correct external liabilities and assets of the country. The information furnished in the schedule will remain confidential with the Reserve Bank of India.

The following points should be taken into account before filling-in this Schedule

- 1) All information should relate to the position as at the end of March 2020 and 2021.
- 2) Country-wise information on all external liabilities and assets should be disclosed in Block 1, 2 and 3 of the return.
- 3) For the purpose of valuation, market value should relate to
 - i) The mid-value of the stock market buy and sell closing price on the reference dates (31/03/2020 & 2021). In case, stock markets were closed on the reference dates, stock price on the previous working day should be used.
 - ii) In case the market value is not available, net asset value per instrument on the reference dates should be used.
- 4) While furnishing the information about the Other Liabilities at Block 2, kindly select the proper option for description of other liability e.g. Dividend payable, redemption payable etc. Similarly, while reporting the foreign assets in Block 3, kindly select the proper option for description of assets in terms of financial instruments e.g. investment in foreign equity, debt securities, mutual fund units, dividend/ redemptions receivables, cash balances etc.
- 5) All amount reported in Indian rupees should be rounded off to the nearest lakhs. Foreign currency amount are to be shown in actuals, without decimals. Amounts in foreign currency are to be recorded invariably when the repayment liability is fixed in foreign currency. Rupee value may be worked out on the basis of exchange rates on March 31, previous year and current year. In case where foreign liability or asset is designated in foreign currency, rupee equivalent should be provided in relevant columns. If any liability/asset is designated in rupee, the same should be reported in Rupee column and the column provided for reporting foreign currency amount may be left blank.
- 6) The completed return in Excel format should be sent on or before July 31, of every year at e-mail: mf@rbi.org.in.
